

## INVENTORY AND SCHEDULE OF CONDITIONS

### GLENFIELD PROPERTIES

All walls finished in Magnolia Emulsion paint with Artex broken leather ceiling pattern. Ceramic floor tiles laid in kitchen and en-suite. Carpets throughout the remainder of the property. Painted panelled doors and white woodwork throughout.

Gas central heating and hot water operate through a time clock/programmer. The room temperature is controlled by a thermostat located in the hall/lounge and on each radiator. PVC double glazing fitted throughout. All furniture, fittings and decorations supplied new at time of fitting.

A communal telephone line is connected in the living room to receive incoming calls only with the exception of outgoing emergency 999 calls and supports the Broadband facility.
